Our Aim

We believe that every day is a learning day, and that learning is all around us. As well as being a place of learning, we pride ourselves on ensuring that all children are coming into a caring environment where they are valued and listened to. We also involve children and parents in trying to continually improve.

We aim:

- To provide a safe, happy, caring, stimulating and secure environment for our children where everyone feels valued, included and respected
- To engage our children in the highest-quality teaching and learning and to maximise success for all
- To create an environment which feels like home and to provide an extended family
- To foster high-quality leadership at all levels
- To work in partnership with other agencies and our communities to promote the welfare of our children
- To work together with parents as partners to improve learning and care
- To reflect on our work and fulfil our learning potential
- To value and empower our children and staff by recognising and celebrating successes and achievements
- To promote well-being and respect
- To develop a culture of ambition and achievement
- To equip our children with skills for learning, life and work, ready to actively follow their dreams in the future

Our Mission

To transform the lives of the children and families we work with, through creating an environment which feels like home with an extended and supportive family.
